

EC Declaration of Conformity

Manufacturer:

Goldhofer Aktiengesellschaft, Donaustrasse 95, 87700 Memmingen, Germany

With this document, we declare that upon delivery, the Goldhofer product complies with the provisions of the EC Machinery Directive 2006/42/EC and the Electromagnetic Compatibility Directive (EMC) 2014/30 / EU.

Type: **AST-2 E**

In accordance with the EC Machinery Directive 2006/42/EC, motor vehicles and vehicle trailers are excluded from the range of application of the directive in the context of the vehicle framework directives 70/156/EEC and 2007/46/EC with the exception of machines attached to these vehicles. This declaration of conformity therefore relates to the machines/machine functions to which, according to the current design, the EC Machinery Directive applies.

Should any modifications be performed to the vehicle / attachment / machine without our agreement, this declaration shall no longer be valid.
